

A La Carte Menu

We are here to offer you a variety of good quality, tasty food and a choice of fine wines. This is provided with an excellent service within a relaxing, comfortable and pleasant atmosphere and surroundings.

For 5000 years different regions of China have perfected different styles of cooking techniques with the distinctive flavours of China. We are proud to present varying aspects of these unique regions into our popular menu "Seafood, Peking, Szechuan and Canton". Each cuisine offers you a variety of contrasting tastes.

SEAFOOD CUISINE

With its long coast line and great rivers, China has always been famous for its fish and seafood.

PEKING CUISINE

Blends the vivid flavours of spicy, sweet with sour; something of an experience!

SZECHUAN CUISINE

Tends towards the hotter and exotic dishes from the heart of the Orient.

CANTONESE CUISINE

Spreads across the range of flavours accommodating everyone; a complement to every palate.

We hope the selections in our menu will whet your appetite for a culinary express to the Orient.

If you have any problems in choosing from our extensive menu, our experienced staff are always on hand to help you discover your final choice. If you desire a dish which isn't catered for in our menu, please do not hesitate to enquire, we will do our utmost to oblige you.

Our own belief is that a truly fine meal is enjoyed not once, but three times;

- In Anticipation.
- In Consumption and
- In Remembrance
